Sub: Mining - prospecting licence - Sandur Taluk - Hulikunti Village - Thayamma Bailu about 10 acres - Iron ore - application of Sri Metri Bheemappa - report - submitted.

---

p.1.(S) Sri Metri Bheemappa of Bellary has applied for the grant of a prospecting licence over an extent of 10 acres of land locally known as "Thayamma Bailu" of Hulikunti village in Sandur Taluk. He has p.3(S) remitted the prescribed application fee of Rs.50/- in chalan No. 1399/19-2-52 of the Bellary Sub Treasury.

The land applied for is a narrow passage (5 chains in length) (and 1½ to 3 chains in width) leading to a cattle pond and to the Forest Reserve which is further up north. The cattle pond is a part and parcel of "Thayamma Bailu." This land is used by the public of Lakshmipuram to take their cattle to the pond and also to the Forest Reserve and grazing. "Thayamma Bailu" is situated in between P.Nos.45 and 46 which are already held on lease by Sri M. Venkataswami of Bellary. If a buffer area of 40 ft. is left over on either side of this narrow strip of land, the width of the land will be reduced almost to nothing and there is no scope to conduct mining operations there. Moreover, as the land applied for is a communal land, the grant of a licence to the applicant will materially affect the rights of the village community of Lakshmipuram. I am therefore of opinion that it is not desirable to grant a prospecting licence to the applicant. I request the Government to reject the applicant of Sri Metri Bheemappa of Bellary.
